

Rebekah Mattison

Rebekah Mattison is the Mathematics Instructional Coach at Cooley Springs Fingerville Elementary School in Spartanburg District Two. She has been an educator for twenty years in grades 3K-6. Mrs. Mattison recently celebrated with her school as an ESEA Nationally Distinguished School for outstanding student achievement in a Title I school. CSF was also named Spartanburg's Best of the Best for public schools in 2023. While at CSF, Mrs. Mattison has led teachers and students to some of the highest achievement scores in the state and is one of three scores in South Carolina, with more than half of the school meeting growth targets. She has held multiple offices in community organizations. Mrs. Mattison holds Special Education, Gifted Education, and Elementary Administration certifications. She is currently enrolled in an Educational Doctorate program for curriculum and assessment, where her research addresses metacognition and feedback in the upper elementary mathematics classroom.
