

Registering & Leaving Payment Pending for the SCCTM Conference

Purchase Order, Check Being Mailed in, Someone Else Paying Later by Card for You

Each person attending the South Carolina Council of Teachers of Mathematics Conference, must register online. Payment may be left pending, by choosing “Invoice me” while in the registration system. Once the registrar receives a Purchase Order, the purchase order will be credited to the attendee’s account as “payment.” The district will be invoiced.

If your district wishes to use a credit card to make payment, the attendee can forward the unpaid invoice that they receive by email to the person paying. The payer may then pay the invoice with a card.

Directions for Leaving Payment Pending in the SCCTM Online Registration/Membership System

For a Purchase Order or to pay by card later choose “Invoice me.”

When you chose “Invoice me” an invoice will come to your email address.

Registering & Leaving Payment Pending for the SCCTM Conference

Purchase Order, Check Being Mailed in, Someone Else Paying Later by Card for You

Paying by Card Later

If your district or another entity is paying for your registration with a card, the invoice in your email that you will receive can be forwarded to the person who will be paying. The person paying can then click, "View invoice online" within the body of the email and make the payment online for you.

8. Once the purchase order "or credit card payment" is processed on the SCCTM side, the attendee will receive their name badge and QR code by email. They will also receive a "receipt" by email indicating that the payment was processed.
9. When a district is paying by purchase order or check, they may want a copy of the online invoice. When paying by PO, one invoice with each attendees' details is created by the SCCTM registrar and emailed to the district's payment department.

Contact Cindy Parker if you need any help.
