SCCTM (Wild Apricot) Members and Conference Attendees App

The free Wild Apricot app allows our members and conference attendees to log in to their account and view their current membership status and other pertinent information.

There are two Wild Apricot apps available for free download. One is the member app (which contacts may use even if they aren't a member) and the other is the admins app, which is for SCCTM board members. If you are a member or conference attendee, please download the member app.

With the app SCCTM members and contacts can:

- Renew membership
- View an event calendar and event details

- View details of upcoming events
- Add an SCCTM event to your calendar app
- Register for an SCCTM event and pay the registration fee within the app.
- View existing event registrations (tickets).
- Pay an outstanding event registration fee
- View and update your member profile
- View your membership card
- Check-in for an event with a QR code

SCCTM Board Election

The following candidates have been nominated to be in the SCCTM Executive Board:

VP – Post-Secondary

- Stephen Bismarck
- Sarah Frederickson

VP – At-Large

- Chris Higgins
- Machell Sprauve

VP – Middle OCT 10 - 16 is Metric Week

- Caitlin Dabkowski
- Brittany Gause

Treasurer:

- Cassandra Strickland
- Althea Wigfall

Voting is open. Candidate Biographies and a link to the ballot can be found here:

<http://www.scctm.org/page-1860367>

Submissions for the e-blast

The SCCTM sends out a monthly news blast. The format for submissions is a short (less than 250 words is suggested) description paragraph and links to any flyers or forms on the originating organization's website/storage. This format avoids us housing other organization's documents/flyers on our listserve server's limited space. All submissions must also meet our mission as stated on our website:

"The South Carolina Council of Teachers of Mathematics acts to support quality mathematics teaching by advocating at the state level for South Carolina educators and students; providing opportunities for leadership, professional development, and networking; and encouraging the creation of research-based curriculum, instruction, and assessment."

Requests from organizations outside SCCTM need to be in by the first of the month for

inclusion in that month's e-blast, because they have to be approved by our editorial committee.
